

DAYSRING

FOR CAMPERS AND FAMILIES

*"DaySpring was the greatest thing
IN MY LIFE!"*
Bradley

Spring Heights Camp and Retreat Center is a ministry of the West Virginia Conference of The United Methodist Church. DaySpring is our mobile ministry that brings the best of summer camp to communities throughout West Virginia and Garrett County, Maryland. Counselors, staff, and volunteers are committed to creating an environment that is respectful, positive, and encouraging.

Camp is about having fun and growing. You'll stretch your faith and you'll stretch your body. You will meet new friends and try new things. Camp helps foster independence, builds self-esteem, strengthens faith, creates meaningful friendships, and builds valuable life skills. We focus on faith, friendship, and fun!

Registration

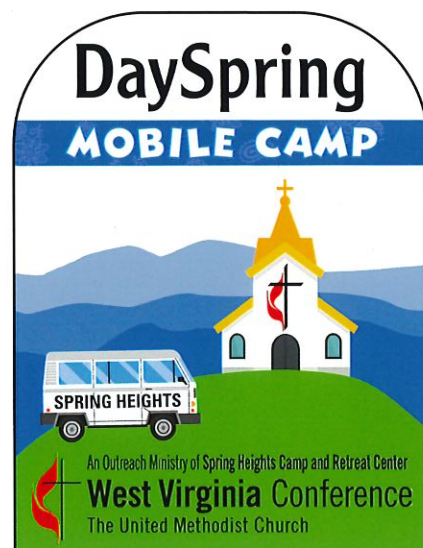

You can pre-register your camper by visiting www.springheights.org OR register your camper on-site on the first day of DaySpring. Please note: we recommend pre-registering; there are limited openings at each location. DaySpring is free for campers!

DaySpring procedures to prevent the spread of Covid-19 and other infectious diseases.

Below is a list of procedures that we will follow while your camper is with us.

Please note, these procedures may change based on recommendations from the CDC and American Camping Association

- Spring Heights staff are vaccinated against Covid-19.
- Organize camp into the smallest practical group sizes and keep groups consistent throughout the camp program.
- Holding activities outdoors as much as possible.
- Campers and staff will wear masks during all indoor activities, especially when maintaining physical distancing is not feasible due to area limitations.
- Ensure campers and staff practice proper hand hygiene: Instruct campers to wash hands with soap and water for 20 seconds before and after activities.
- Provide alcohol-based hand sanitizer containing at least 60% alcohol before and after activities.
- All shared items and equipment will be cleaned and disinfected between use.
- All outdoor equipment and facilities are routinely disinfected.
- Communal spaces are disinfected between small groups.
- Cleaning and disinfecting frequently touched surfaces and common spaces multiple times daily.
